ILB Reasons

Reason: Geographic Rotation

Add

Please release all space for the above mentioned group. (Both 2006 and 2007)
The Board decided only March dates for the future and Chicago was selected for 2005, leaving 2007 a mute point because of rotation. (Hotel package was tighter with 3000 peak rooms.) They are so where near making a selection for 2007. That selection will most likely be in 2005.
